## **RJN Group's Alan J. Hollenbeck Receives the Arthur Sidney Bedell Award from the Water Environment Federation**

Wheaton, IL (July 9, 2007) – Alan J. Hollenbeck, P.E., President and CEO of RJN Group, Inc., was awarded the Arthur Sidney Bedell Award from the Illinois Water Environment Association (IWEA) at the IWEA Annual Conference this past spring. As chair of the IWEA Collection Facilities Committee, Mr. Hollenbeck facilitates the annual Collections' Seminar held in northern Illinois each November, as well as many other professional activities. He has also presented technical papers at numerous IWEA conferences.

Mr. Hollenbeck has 30 years of experience in the civil and environmental engineering fields and has been with RJN Group, Inc. for 28 years. He has been Project Technical Director for over 200 Infiltration/Inflow studies and rehabilitation design projects. Mr. Hollenbeck is an expert in all phases of Infiltration/Inflow rehabilitation including SSES, design, construction engineering, post-rehabilitation flow monitoring, computer modeling, and integration of SSES projects with GIS applications.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
