RJN Group, Inc. Names New Principal

Wheaton, IL (March 15, 2005) – At its annual Business Meeting in Dallas, Texas in February, RJN Group, Inc. announced the addition of a sixth Principal to the firm. Robert J. Januska, P.E. was named Principal of the St. Louis Regional Office and was appointed to the Board of Directors. Mr. Januska joined the firm in July of 2003 to help extend RJN Group's services into the St. Louis region. Since that time, he has been directly involved with generating significant revenue for the firm. Registered as a Professional Engineer in 10 states including Missouri and Illinois, Mr. Januska has over 23 years of experience in the engineering field and earned a Bachelor of Science Degree in Environmental Engineering from the California Institute of Technology in 1982.

RJN Group, Inc. is a leader in providing Engineering Services and Information Technology Software to municipal, county, state, and federal clients for the past 29 years. The firm is headquartered in Wheaton, Illinois with offices in Collinsville, Illinois; St. Louis, Missouri; Dallas, Fort Worth, Arlington, Austin, Houston, and San Antonio, Texas, Fayetteville, Arkansas; Tulsa, Oklahoma; Norcross, Georgia; Deerfield Beach, Florida; Vienna, Virginia; and Boston, Massachusetts.

RJN provides public works engineering services and information technology services for the development, maintenance, and management of municipal infrastructure systems including sewer, water, and drainage. Projects include engineering studies, preliminary and detailed design, construction engineering, and maintenance management. The firm provides the CASS WORKS® family of software products for tracking of asset inventories, maintenance activity, physical inspection and histories, and related management systems. RJN also provides CASSView™, a GIS deployment tool providing direct access to GIS, CASS WORKS, and other related data.
