Daniel H. Jackson Achieves Status as Professional Engineer in the State of Texas

Wheaton, IL (January 22, 2009) – Daniel H. Jackson, P.E., a Project Engineer for RJN Group, Inc., received status as a Professional Engineer in the state of Texas. Mr. Jackson has a Bachelor of Science in Civil Engineering from Texas Tech University, and is a member of the American Society of Civil Engineers.

Mr. Jackson has been with RJN Group, Inc. for five years and has experience with sanitary sewer evaluation studies, ranging from field investigations to office engineering. Mr. Jackson has also performed construction inspection services for a long-term comprehensive sewer rehabilitation project.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
