## **RJN Group, Inc. Hires New Project Manager**

Wheaton, IL (June 17, 2009) – RJN Group, Inc. is pleased to announce that David R. Brown has recently joined the firm as Business Development Manager in RJN's Charlotte, North Carolina Office. His duties will include business development for projects in the North Carolina / South Carolina & Virginia. areas. Mr. Brown earned a Bachelor of Science Degree in Civil Engineering from Ohio University. He brings over 15 years of civil engineering experience to the firm, specializing in sanitary sewer investigations. In his new role, Mr. Brown will be responsible for sales and management of projects initially in the North Carolina area. He is a member of the Water Environment Federation and is a WEFTEC Collection Systems Committee member.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and integrated capital improvement planning services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
