**RJN Group, Inc. was Selected by IDOT, District 3 to Complete Bridge Design Services to I-80 in LaSalle County**

Wheaton, IL (September 7, 2006) – RJN Group, Inc. was recently selected by the Illinois Department of Transportation (IDOT), District 3 to complete bridge design engineering services for the IL 251 Interchange at Peru on I-80 in LaSalle County. The project consists of the design of a new interchange configuration. RJN will begin the project in September 2006 with completion scheduled for September 2007. RJN has completed numerous bridge design projects throughout Illinois for IDOT over the past few years.

RJN Group, Inc. is a leader in providing engineering services and information technology software to municipal, county, state, and federal clients for the past 31 years. The firm is headquartered in Wheaton, Illinois with offices in Aurora, Collinsville and Chicago, Illinois; St. Louis, Missouri; Dallas, Fort Worth, Arlington, Austin, and San Antonio, Texas, Little Rock and Fayetteville, Arkansas; Tulsa, Oklahoma; Vienna, Virginia; and Baltimore, Maryland.

RJN provides public works engineering and information technology services for the development, maintenance, and management of municipal infrastructure systems including sewer, water, drainage, roads, bridges, and in addition, GIS services. Projects include engineering studies, preliminary and detailed design, construction engineering, and maintenance management. The firm provides the CASS WORKS® family of software products for tracking of asset inventories, maintenance activity, physical inspection and histories, and related management systems. RJN also provides CASSView™, a GIS deployment tool providing direct access to GIS, CASS WORKS, and other related data.
