RJN Group, Inc. Completes Northwest Tollway Drainage Improvements, Mile Post 8.7 to Mile Post 15.3

Wheaton, IL (June 14, 2004) – RJN Group, Inc. was selected to perform the construction engineering services for drainage infrastructure improvements along the Northwest Tollway from mile post 8.7 to mile post 15.3. The project includes cleaning and regarding of ditches; stabilization of side slopes; use of insertion lining and cured-in-place up to 36 inches; and installation of new headwalls. The project was completed in February 2004.

RJN Group, Inc. is a leader in providing Engineering Services and Information Technology Software to municipal, county, state, and federal clients for the past 29 years. The firm is headquartered in Wheaton, Illinois with offices in Collinsville, Illinois; St. Louis, Missouri; Dallas, Fort Worth, Arlington, Austin, Houston, and San Antonio, Texas, Fayetteville, Arkansas; Tulsa, Oklahoma; Norcross, Georgia; Deerfield Beach, Florida; Vienna, Virginia; and Boston, Massachusetts.

RJN provides public works engineering services and information technology services for the development, maintenance, and management of municipal infrastructure systems including sewer, water, and drainage. Projects include engineering studies, preliminary and detailed design, construction engineering, and maintenance management. The firm provides the CASS WORKS® family of software products for tracking of asset inventories, maintenance activity, physical inspection and histories, and related management systems. RJN also provides CASSView™, a GIS deployment tool providing direct access to GIS, CASS WORKS, and other related data.
