## **RJN Group, Inc. Hires New Senior Project Manager for National Environmental Engineering Services**

Wheaton, IL (March 13, 2007) – RJN Group, Inc. is proud to announce that James Liubicich, P.E. recently joined the firm as Senior Project Manager for RJN's Wheaton Office. Mr. Liubicich brings over 20 years of experience in the management, operation, design, planning, and construction of wastewater treatment facilities and public works projects to the firm. Mr. Liubicich will have the responsibility for overall project delivery in the Midwest and will also provide technical support to all corporate offices with a primary focus on the municipal market for environmental engineering services.

RJN Group, Inc. is a leader in providing engineering services and information technology software to municipal, county, state, and federal clients for the past 32 years. The firm is headquartered in Wheaton, Illinois with offices in Aurora, Collinsville, and Chicago, Illinois; St. Louis, Missouri; Dallas, Fort Worth, Austin, and San Antonio, Texas, Little Rock and Fayetteville, Arkansas; Tulsa, Oklahoma; Vienna, Virginia; and Baltimore, Maryland.

RJN provides public works engineering and information technology services for the development, maintenance, and management of municipal infrastructure systems including wastewater, water, drainage, roads, bridges, and in addition, GIS services. Projects include engineering studies, preliminary and detailed design, construction engineering, and maintenance management. The firm provides the CASS WORKS® family of software products for tracking of asset inventories, maintenance activity, physical inspection and histories, and related management systems. RJN also provides CASSView™, a GIS deployment tool providing direct access to GIS, CASS WORKS, and other related data.
