## **Jeffrey Kaestner, P.E. & Kiel Harms, E.I.T. Join RJN Group, Inc. at the St. Louis Office Location**

Wheaton, IL (April 2, 2007) – RJN Group, Inc. is proud to announce that Jeffrey A. Kaestner, P.E. and Kiel J. Harms, E.I.T. recently joined the firm for RJN's St. Louis Office. Mr. Kaestner has a Bachelor of Science Degree in Civil Engineering from Southern Illinois University. He brings to the firm over 20 years of consulting experience in environmental engineering. His focus area will be stormwater management services for RJN clients. Mr. Harms received a Bachelor of Science Degree in Civil Engineering from Southern Illinois University in 2006. Mr. Harms will be working in the collection systems and wastewater practice.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
