Lisa S. Douglas, P.E. Elected to Executive Board – Engineers' Club of St. Louis

Wheaton, IL (June 2, 2010) – Lisa S. Douglas, P.E., Principal of the St. Louis Office of RJN Group, Inc. (RJN) was elected to the Executive Board for the Engineers' Club of St. Louis as Treasurer. The Executive Board is elected for four-year terms to provide oversight for Engineers' Club business and activities. The Engineers' Club of St. Louis, organized on December 2, 1868, is the third-oldest engineering society in America.

Ms. Douglas has 22 years of experience in the civil and environmental engineering fields. She has managed projects as a consultant in the municipal and industrial arenas and has been with RJN for eight years.

RJN provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, storm water, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
