RJN Group, Inc. Names New Principal

Wheaton, IL (March 20, 2007) – At its annual Strategic Business Meeting in St. Louis, Missouri in March, RJN Group, Inc. announced the appointing of a seventh Principal to the firm. Lisa S. Douglas, P.E. of RJN's St. Louis office was named Principal. Ms. Douglas joined the firm in October of 2001 and has helped extend RJN's services into the St. Louis region. Ms. Douglas has over 19 years of experience in the engineering field and earned a Bachelor of Science Degree in Geological Engineering from the University of Missouri-Rolla in 1988. Ms. Douglas is now responsible for managing the day-to-day operations in the St. Louis office.

RJN Group, Inc. is a leader in providing engineering services and information technology software to municipal, county, state, and federal clients for the past 32 years. The firm is headquartered in Wheaton, Illinois with offices in Aurora, Collinsville, and Chicago, Illinois; St. Louis, Missouri; Dallas, Fort Worth, Austin, and San Antonio, Texas, Little Rock and Fayetteville, Arkansas; Tulsa, Oklahoma; Vienna, Virginia; and Baltimore, Maryland.

RJN provides public works engineering and information technology services for the development, maintenance, and management of municipal infrastructure systems including sewer, water, drainage, roads, bridges, and in addition, GIS services. Projects include engineering studies, preliminary and detailed design, construction engineering, and maintenance management. The firm provides the CASS WORKS® family of software products for tracking of asset inventories, maintenance activity, physical inspection and histories, and related management systems. RJN also provides CASSView™, a GIS deployment tool providing direct access to GIS, CASS WORKS, and other related data.
