RJN Group, Inc. – Mark Kazich Joins RJN as a Senior Project Manager in the Wheaton Office

Wheaton, IL (January 22, 2009) – RJN Group, Inc. is pleased to announce that Mark Kazich, P.E. has joined the company as a Senior Project Manager in the Wheaton Office. Mr. Kazich holds a Bachelor of Science Degree in Civil Engineering and is a Registered Professional Engineer in Illinois. Mr. Kazich brings to the firm more than 8 ½ years of municipal experience, as well as a combined 15 years of experience with the Illinois Tollway. He has managed and led design work specifically related to both the transportation and municipal engineering fields. Mr. Kazich has also managed construction phase activities on numerous infrastructure and transportation projects. He is a member of the American Society of Civil Engineers and the American Public Works Association. In his role at RJN, Mr. Kazich will be responsible for the management of design for transportation improvement projects and will assist on the procurement of related services from RJN's Wheaton office.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
