**RJN Group, Inc. Selected to Rehabilitate a Portion of Roosevelt Road
for the San Antonio Water System**

Wheaton, IL (April 11, 2007) – The San Antonio Water System of Texas (SAWS) selected RJN Group, Inc. to perform a Sanitary Sewer Rehabilitation Project for Roosevelt Avenue in San Antonio. The project consists of an evaluation of existing facilities, project plans, specifications, and construction phase services for the rehabilitation and/or replacement of approximately 3,300 linear feet of 48-inch sewer main and approximately 1,800 linear feet of 36-inch sewer main along Roosevelt Avenue and Benita Street in San Antonio. The project began in June 2006 and will be completed mid-year 2007.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
