RJN Group, Inc. – Stephen Jeffus Joins RJN as a Business Developer in the Dallas Office

Wheaton, IL (May 15, 2008) – RJN Group, Inc. is pleased to announce that Stephen Jeffus, P.E. has joined the company as a Business Developer in the Dallas Office. Mr. Jeffus holds a Bachelor of Science Degree in Civil Engineering and is a Registered Professional Engineer in Arkansas. Mr. Jeffus has over 17 years of experience in the water and wastewater field. This includes promoting the sale of water and wastewater treatment equipment, managing an application engineering and design engineering staff, and designing water and wastewater projects as a Project Engineer. In his role at RJN, Mr. Jeffus will be responsible for the sale of company services and development and cultivation of client relationships from RJN's Dallas office.

RJN Group, Inc. provides engineering consulting services for municipal, county, state, and federal infrastructure systems. The firm's offerings include the study, design, and construction management of wastewater, water, stormwater, roadways, and bridges. GIS and asset management services are also offered by the firm. RJN, established in 1975, is headquartered in Wheaton, Illinois with offices nationwide.
